

**Next ... My 1979 Porsche 928 gets a Ceramic Coating**  
**Delivery date April 25, 2020**

My Indishrot Porshe 928 joins a stable of ceramic coated vehicles

A super cleaning and multistage buffing is the basis of a good shine

## The Shine of a Ceramic Coating – Photos Tell the Story

## More Traffic Dropped In During Our Photo Shoot

Shine Meister Mathias poses with his handy work

This shiny airplane dropped in

We kept an acceptable social distance

## This was a More Difficult Job – Oxidized Roof Paint

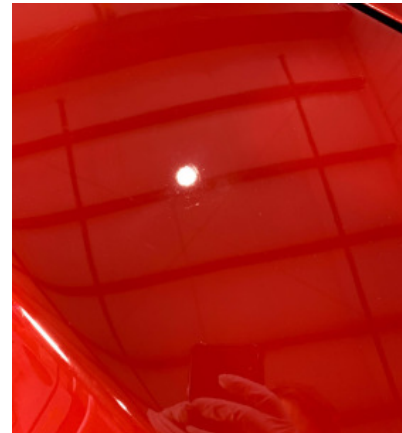

Before      After

Buffing with the proper material yields nice results

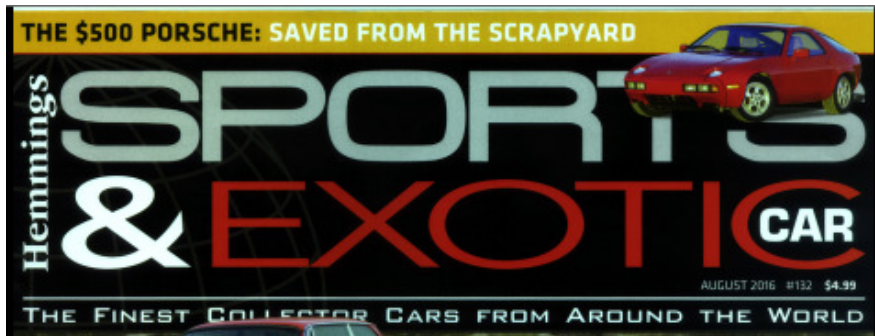

Circular Marks Before

Disappear After Buffing

## This Porsche was Featured in Two Hemmings Publications in 2016

August 2016

November 2016
